

Jovy took 1st place for the San Joaquin County Spelling Bee 2006-2007. He went against the top 4th-6th graders from different cities in the county and originally there were 47 finalists which all took written elimination exam and Jovy took the second highest score. The 15 students who got the highest score went to the finals on December 6, 2006 which was the oral spelling bee. He received 100 dollars Savings Bond, Plaque and a Medal for taking 1st place. Now, he will represent the San Joaquin County for the State spelling Bee that will be held in Rohnert Park, Sonoma State University. He is really excited and practicing everyday in preparation for this event. He is very proud to be the champion not only in Spelling Bee but also as a Tibon's Goju Ryu Student. Thank you for all the support and guidance that you're giving Jovy, And with this support great accomplishments was achieved and hope for more.

Jon
