DOJO REMINDERS

Please make sure you pick up your child on time.

- All tuition payments are due by the 10th of each month – NO EXCEPTIONS. A late charge of \$15.00 will apply; a return check charge of \$20.00 will apply.
- Sensei Oshiro continues to give Kobudo instruction here at the Dojo. Students should take advantage of being taught by one of the foremost weapons instructors in the world. Only \$25 per class plus you must provide your own weapons.
- Per the Goju Ryu Uchiage Kai rules, there will no longer be any rank skipping, unless you pay for each level of the test. This may seem rather harsh, but traditional training makes the student wait at least six month between each level to properly be prepared for the test. This is based on two days per week program.
- The Brown Belt Kyu tests are one year apart, and 100 assisted classes minimum are due before each promotion. A requirement of 300 assisted classes by the brown belt must be logged before allowing testing for Black Belt candidate.
- Private lessons MUST be prepaid, or they will be canceled. We are sorry to announce this, but lately we have had an abundance of no-shows, or last minute cancellations. There are no refunds on these types of issues.
- We still have had complaints about people parking in the street waiting to pick up their children. Please pull into a parking place, circle the block, or park in the rear of the school so this does not create an unsafe condition while picking up your child. Thank you!
- Current students are encouraged to bring in a friend in to try out a class. If the guest decides to continue and join the program, the student who referred will be awarded a \$10 gift certificate for the referral.
- Please see Yvonne about any make-up classes you need to schedule. She is always happy to help you! Please Note: Four classes equal one half month which is \$60. Any classes over four is equal to a full month or \$75.
- All Dojo Information see www.tibonkarate.com
