Special Notice Parents

Parents, lately you have noticed many of our Tibon's Goju Ryu Instructors are rotating in our different schools across the valley. There are many reasons; one main reason is due to being sick with the flu. Which are normally caught working with the many students who come in with running noses, and a touch of the cold flu virus. So we ask parents if your child is sick please give them a chance to get well before bringing them into class. Our students catch it as well as our Instructors.

If any of our instructors see a child not feeling well they will confirm with the child how they are feeling, and see if they have a fever. If so they will have the front desk notify the parent unless the parent is on site to come and pick up their child, and make their class up on a day they are feeling better.

Other reasons for the rotations are, as you know we have **many of our Instructors are on the United States National Jr. or Sr. Karate Team and represent our country around the world.** They all have great experience in Kata and Kumite drills they have learned with Sensei Tibon, other senior instructors, and at the United States Olympic Training Center where many of our young and older instructors have received some great developmental drills to bring home to our athletes. Sensei Tibon's intention is to have each team of instructors teach their different techniques to each of the classes to give all of our students a unique opportunity with training with some of the best Black Belts in the United States. This is one of the advantages of being a part of Tibon's Goju Ryu Fighting Arts Organization.

By our instructors rotating to different schools they will be able to have an individual impact on all of our programs. Believe me there is a method to Sensei Tibon's thinking. To develop the best they have to be exposed to the best. Then offer the best IN HOUSE Tournament with licensed Referees and Judges so our athletes can test their skill levels against a friendly opponent. Sensei Tibon requires all of the Brown and Black Belts to attend National Federation Referee Work shops for their licensing and development.

DOJO REMINDERS

Please make sure you pick up your child on time.

- All tuition payments are due by the 10th of each month – NO EXCEPTIONS. A late charge of \$15.00 will apply; a return check charge of \$20.00 will apply.
- Sensei Oshiro continues to give Kobudo instruction here at the Dojo. Students should take advantage of being taught by one of the foremost weapons instructors in the world. Only \$25 per class plus you must provide your own weapons.
- Per the Goju Ryu Uchiage Kai rules, there will no longer be any rank skipping, unless you pay for each level of the test. This may seem rather harsh, but traditional training makes the student wait at least six month between each level to properly be prepared for the test. This is based on two days per week program.
- The Brown Belt Kyu tests are one year apart, and 100 assisted classes minimum are due before each promotion. A requirement of 300 assisted classes by the brown belt must be logged before allowing testing for Black Belt candidate. Also have to be registered with Goju Ryu Uchiage Kai membership three years consecutive before allowed to test.
- Private lessons MUST be prepaid, or they will be canceled. We are sorry to announce this, but lately we have had an abundance of no-shows, or last minute cancellations. There are no refunds on these types of issues.
- We still have had complaints about people parking in the street waiting to pick up their children. Please pull into a parking place, circle the block, or park in the rear of the school so this does not create an unsafe condition while picking up your child. Thank you!
- Please see Yvonne about any make-up classes you need to schedule. She is always happy to help you! Please Note: Four classes equal one half month which is \$65. Any classes over four is equal to a full month or \$75.
- All Dojo Information see www.tibonkarate.com

BOOSTER HIGHLIGHTS

The Booster Club was formed with the intention of providing a better experience for all participants in the sport of Karate. Not only do we try to aid those athletes that are competing, but we are interested in making the experience of karate a memorable experience. The Booster Club has received it's non profit number. This means that we can really start fund raising. Come to the meetings with your fund raising ideas, and let's raise some money for the Booster Club and help all of our athletes from the youngest to the oldest.

Four of our athletes recently went to El Salvador to compete in the Junior Pan American Games. Joane Orbon, Rupert Espinosa, Jr., Crystal Lee and Andrew Moore competed valiantly and although they did not bring home a medal they provided good competition. Congratulations to these four (4) young athletes.

Andrew Moore, Joanne Orbon and Crystal Lee have also qualified to compete in the Junior World Competition in Morocco in November 2009. They leave on or around November 7, 2009, Fund-raising opportunities should begin to surface and the Booster Club asks you to support these athletes to help pay for their trip. I know that they appreciate your support, and would be happy to talk to anyone about their experiences.

The Booster Club has a new set of Officers to the Executive Board. The new members of the Executive Board are as follows:

President:	Martin Toy	Vice President:	Aaron Helsby
Secretary:	Pam Gonzales	Treasurer:	Dee Daniel
Communications Officer:	Kristine Santana	Legal Officer:	Roger Moore

If you would like to contact any of the officers about what you can do to participate in the Booster Club please feel free to contact any one of them. They can be reached at the dojo, and Yvonne Tibon would be happy to put you in touch with any one of them.

On a sad note, the Booster Club would like to offer it's condolences to Sensei Justin Love and his wife Christina Santana on the recent passing of Christina's father. He was a special man, and I know that the world has experienced a great loss.

Remember Booster Club Meetings are announced regularly are usually held at the main dojo, 923 N. Yosemite Street, Stockton, CA. We don't need a large commitment but every little bit helps. Please plan to attend and remember to bring your fund-raising ideas!!!!
