CLIFFORD OTO/The Record
Joane Orbon, left, and Cristian Embry, members of Tibon's Goju Ryu Fighting Arts Karate Studio, will compete at the USA Karate Team Trials beginning today in Palatine, Ill., with their ultimate goal of earning spots on Team USA for the 2015 Pan Am Games in Toronto.

Sensei Cristian Embry wins 3place position on Team USA Trials, and Sensei Joane Orbon loses 1-0 to the Number #1 USA athlete in the country for a close match. World Team Trials in Reno will be a new story.

Referee and Judges Seminar USANKF of Northern Calif. And Tiger Claw Present At Tibon's Goju Ryu main Dojo. Huge Success!

The current and future Referees and Judges of the USANKF of Northern California, Tiger Claw Elite, and Tibon's Goju Ryu Annual In House. We work hard in bringing one of the top WKF PKF Referees Sensei Chuck Sweigart, who is rated one of the top seniors world referees to teach our certification program so we can truly have a Referee and Judges Corps that are trained to select the best athletes in competition. This creates a full staff of trained Officials including a Leadership development program for our younger students can learn the rules to compete by, but also gain the experience to become future Judges.

**Brother Sensei Cristian Embry Takes Over Brother's Teaching Position at Tokubetsu 1 and MMA Class on Sundays
Sensei Cristian Embry a Sr. 2nd Degree Black Belt rated top 3 in the USA in his Black Belt Division by Karate Nation**

Grassroots Work Shop Video - <http://www.youtube.com/watch?v=8t9ILNzr5HA>

Sensei Brian Embry makes us proud of being a champion as a person, instructor, competitor, student, friend, brother, and leader. He moves on in life to chase his passion with foreign cars, and wins a scholarship to a prestigious certification school in Arizona for Audi. Brian will spend several months there in highlevel training, and then be assigned to a Audi Dealership somewhere in the country. We are hoping here in Norhtern California so we can still have him at the dojo, so our fingers our crossed.

In the meantime his famous brother Sensei Cristian Embry will step into his brother's shoes and take over Tokubetsu 1 class and the MMA class on Sunday's. Both Embry brothers have both been on Team USA for several years, and have won medals at the international level for USA. We will miss Sensei Brian. Please come to the **"Going away Potluck Party"** to say your farewells.

“Sensei Demytryk’s Road To Recovery”

When Sensei D suffered his life changing injury, we did not know if he would even survive. Family and friends waited for weeks while he was in a comma in ICU in Modesto. When he awoke he had no feeling on the right side of his body. With the help of many of our dojo family members like Pete Suanders, Barbara Nava, his uncle Pete, sister Makayla, Sensei Tibon, and now Dr. Blaine Kingsbury.

Thank you to all of the parents and students who came and supported Sensei Ronny and his wife Marisol’s baby shower. It was hosted by Tibon’s Goju Ryu Karate by Yvonne Tibon and the support and help of Courtney Embry, and Curtis Shaw for helping set up and working to make this a great event for family, friends, and baby Elias George Guzman

We can’t wait until little Elias is running the dojo floor with CJ Sensei Eliza’s son, and JJ Sensei Justin’s son! Our new Kata and Kumite Team is developing for the next generation!

Core Excel Development Academy founded in 2009, solely owned by Core Excel Development Group Inc. Chief Executive Officer Derrick Shaw. Core Excel Development Group Inc. is designated as a 501 (c) (3) Tax Exempt Corporation, in the state of California under the Internal Revenue Codes.

Founder Derrick Shaw mentored and developed youth through-out his community and as far as the state of Washington. Along with a multitude of studies, he recognized that the future of our youth depend on how well we prepare them to meet the challenges of tomorrow. Moreover a matchless investment of time, energy, resources and quality mentoring is vital for their success; academically, physically as well as socially.

With your partnership; Core Excel Development Group Inc. is prepared to develop a unique, modern; state-of-the-art Development facility that will focus on youth life skills through academic mentorship and sports immersion. The project is designed to benefit all youth, but is specifically structured to recognize and evaluate undeveloped, as well as unchallenged skills in our youth due to a lack of resources; in addition to curriculums not structured to fit the individual, but prepared for the masses. Core Excel Development Academy will provide resources and curriculums that will develop well-rounded, positive thinking individual young men and women and raise the reputation of our youth.

A variety of opportunities will be available at the complex and will have a wide range of youth programs such as, a visual and performing arts program that focuses on dance, music, opera, theatre, Spoken word, and musical theatre. Tutoring, camps and clinics are scheduled year-round to build additional confidence, strength and camaraderie among the youth, as well as recreational and competitive training activities primarily for youth, though some opportunities for adults, families, seniors and professionals are available.

Derrick Shaw, father of 3 vowed to make a difference; and as a result he seeks to build this state-of-the-art academy with services and curriculum delivered by select educators, coaches, involved parents and concerned community leaders in hope that you will catch the spirit of this vision and help it materialized on schedule. The project is scheduled for roll out in 2014-2015.

Core Excel Development Group, Inc. a Non-Profit 501 (c) (3) seeks Sponsorships/Naming Rights contributions for its proposed Youth Development Academy and/or the various components of facilities that make up the complex.

We are selling paper weight/desk bricks, personalized engraved walk way bricks as well as engraved pillars and corporate logo walls to underwrite the costs of building. Proceeds from these funds will be used to finance and directly contribute to marketing the building of said facility.

All sponsors will be recognized at the completion of the project during the Sponsor Recognition Ceremony, per the amount of the contribution and for the term noted below.

- The paper weight/desk brick sponsors will be recognized at the complex for one year.
- Personalized engraved bricks will be a permanent part of the complex. Engraved bricks will be installed walk-ways at facility. Individual and Corporate sponsors (gold and platinum package) will be recognized on a designated Sponsor's pillar or wall built at facility.

All donations are tax-deductable. Please keep updated by visiting our web site at www.corexcelyouth.org and future site location at www.coreexcel.org.
